Jeffery Zin Min Htet

Full-Stack Developer • Technology Associate

jefferyyas8@gmail.com • github.com/ZinMinHtet22 • linkedin.com/in/zin-min-htet-a167b42b5

Profile

Full-stack developer and Technology Associate with a background in technical support and a calm, product-minded approach to building web applications. Experienced with Laravel, React, Next.js, Node.js, and PostgreSQL, working in an AI-augmented workflow (Claude, Google Antigravity) that keeps iteration fast without sacrificing code quality.

Skills

Languages: TypeScript, JavaScript, PHP, SQL, Python
Frameworks: Next.js, React, Node.js, Laravel
Tools & Databases: Git, PostgreSQL, MySQL, Docker, Tailwind CSS
Practices: REST APIs, WebAuthn, responsive design, testing
